

Ashifa Sherin K

UI/UX DESIGNER | FRONT-END DEVELOPER

✉ ashifasherin54@gmail.com ☎ 8848798636 📍 Malappuram 🔗 linkedin

Profile

Creative UI/UX Designer with a strong foundation in user-centered design, wireframing, and prototyping. Skilled in designing clean, intuitive, and responsive user interfaces using tools like Figma. Passionate about improving user experience through simple and effective design solutions. Looking for an opportunity to start my career and contribute to building user-friendly digital products.

WORK EXPERIENCE

UI/UX Web Designer
Febno Technologies

03/2026
Malappuram

- Designed intuitive UI layouts, wireframes and prototypes for multiple web projects
- Created modern, clean and accessible interfaces with strong visual hierarchy
- Built and deployed fully responsive websites and applications
- Converted complex UI/UX prototypes into clean, functional front-end code

PROJECT

SpendWise – Personal Finance Mobile Application

- Created the SpendWise mobile app interface in Figma for tracking daily income and expenses.
- Developed wireframes and high-fidelity screens for dashboard, expense tracking, income management and financial summary.
- Focused on clear data visualization, simple navigation and improved usability.

GlowNest – Skincare E-commerce Website

- GlowNest skincare e-commerce website interface developed in Figma with a clean and intuitive layout.
- Wireframes and high-fidelity screens prepared for homepage, product listing and product detail pages.
- UI converted into functional webpages using HTML5 and CSS3.
- Responsive layout implemented for desktop, tablet and mobile devices.
